
We understand that lack of insurance can often be a barrier for our patients to receive the dental treatment they need. We are pleased to offer our Lakeshore Smiles Membership to those patients! A membership provides free preventative services and deeply discounted restorative services all without yearly maximums and deductibles, waiting periods and the hassle of dealing with insurance companies that do not have your best interest in mind.

Here's how it works:

- Benefits start immediately. Join today and save!
- Include cleanings, exams and routine x-rays at no additional cost.
- Provides exclusive discounts off other procedures, like fillings.
- There are no deductibles, annual maximums or pre-approvals.
- Membership runs for 12 months from the date you join.
